

# Nomination for Al Stiefel Legacy Room

16<sup>TH</sup> ANNUAL

*"I think we could all agree that a large part of Al's legacy was his inclusiveness and ability to welcome newcomers into the RMAF fold. He loved to champion the underdog with the great idea and applauded those who had the vision and bravery to take a chance. He really did celebrate sound in so many ways! Since 2009 I have donated a room to a new manufacturer with an innovative product, or one who simply needs a little help this year. I hope people from the community who are able will contribute to this effort." — Marjorie Baumert*

Those who knew RMAF founder Al Stiefel remember him for his spirit of inclusiveness and his passion for high quality sound. As one person put it, "... And that is what Al had made of all of us, friends, a community of great people who happen to be music lovers." RMAF 2019 will host the 11th annual Legacy Room in Al's honor. The ideal candidate is a manufacturer or retailer that has a wonderful product and would greatly benefit by achieving a foothold through an RMAF appearance, but who may not have the means to exhibit this year. The gift includes the cost of a standard exhibit room only. To nominate a potential exhibitor, or to apply yourself, please complete the form below and fax it to Marjorie Baumert at 877-423-0068 or email to [info@audiofest.net](mailto:info@audiofest.net).
